

Minori 2 – Startups in Kobe

500 Founder Academy / Global Mentorship Program

Tuesday / September 14, 2021 / 10:00 - 11:30 a.m. CET / online / free

Due to the pandemic, international cooperation to tackle arisen challenges and answer questions of tomorrow's world has become more important than ever. At the same time, the pandemic offers opportunities for business alternatives and new perspectives. Kobe presents advantages in terms of size, location, environment, economic strength and enjoys life-long experiences with European companies – the ideal location for business settlement! This year, the Global Startup Hub city Kobe has launched a new initiative. **500 Startups** – a world-famous venture capital firm – transformed into **500 Founder Academy** and the follow-up **Global Mentorship Program**.

Join us and learn more about **programme details, application procedure** and **following opportunities!**

This webinar shows you how to enter the Japanese market with the city of Kobe as the ideal "gateway".

See you there!
